CORPORATE EVENTS @ LONDON ROWING CLUB

LONDON
ROWING
CLUB

The perfect space
for corporate days
both on and off the water

London Rowing Club is the perfect venue to entertain clients and unite a team. The unique meeting spaces and the option to make use of the state of the art sporting facilities make the Club a great choice for a corporate event with a difference.

Founded in 1856, London Rowing Club is one of the UK's first Rowing Clubs and is home to generations of champions including many Olympic athletes and coaches.

MEETING
& EVENT
SPACES

London Rowing Club offers a unique selection of meeting and event spaces suitable for presentations, drinks receptions, private dinner parties and training sessions. **The Club overlooks the river Thames, providing the perfect backdrop for your next corporate event.**

Our meeting and event spaces offer stunning views, with natural light and access to the balcony overlooking the river Thames and Bishop's park beyond.

Team GB row boats from the 1936 Berlin Olympics are suspended from the ceiling, along with other sporting artefacts throughout the club, bringing a sense of achievement and charm to define the space.

THE VENUE

The reception rooms are fully accessible.

The **LONG ROOM** can accommodate up to **100 GUESTS** for a banqueting style event or **150 GUESTS** for theatre style or a standing reception. It has access to the club bar and 20m balcony.

The **FAIRBAIRN ROOM** is a perfect reception room to welcome guests with drinks and canapes. The room offers an adjoining cloak room, bathroom facilities and lift.

The **MEMBER'S ROOM** can be incorporated into a larger event or hired separately, it can be arranged boardroom style for 20 guests. Like the Long Room, there is direct access onto the balcony.

With views over looking the Thames, socials on the balcony are synonymous with summers on Putney Embankment.

KEY NOTE SPEAKERS

Rowing is one of Britain's most consistently successful sporting events at the Olympics; a unique blend of speed, stamina, tactics and power. Combine this with a quintessentially English atmosphere and the ability to follow all the action from one point by the water, and you have a unique spectator sport.

London Rowing club is home to **generations of champions**. We have a portfolio of professional athletes and coaches who are terrific story tellers providing Motivational and After Dinner speeches aimed to enlighten and inspire your team.

LEARN TO ROW EXPERIENCE DAYS

For a truly inspiring experience, step out of your comfort zone and into a rowing boat

The session aims to make rowing accessible to all while connecting individuals, boosting morale and facilitating effective communication. Rowing is an empowering sport, unlike others, you can be any age and fitness level to begin.

In a two hour session our qualified coaches will guide complete beginners into confident rowers. By the end of the session your crew will row as a team on the river Thames.

- Know the rowing techniques in practice
- Have an awareness of handling boats & river safety
- Why not incorporate a competitive aspect with a fun time trial, the winning crew can be awarded at a medal ceremony back in the club house

WINE TASTING

Our Resident Master of Wine has a 20+ year journey of wine, and currently leads British Airways in their beverage selection. Our curated tastings allow you to sample a great selection of wines like a professional. In the comfort of the club's rich surroundings, enjoy delicious wines and discover what all the swirling and sniffing is about.

London Rowing Club partners with local suppliers who provide a bespoke and welcoming service. Partners include caterers, photographers, musicians, DJs, Sommelier and florists.

London Rowing Club and onsite facilities are regularly used by production companies for television, film and editorial shoots. Our qualified coaches have the skillset to teach actors to row on the tideway. Recent productions include: **BBC Mary Berry's Fantastic Feasts, Hydrow Race on the Thames, Sisters & Seekers A/W 2021 collection**

We are supporting London's next generation of independent food innovators by offering the use of our contemporary, purpose built kitchen to upgrade their prep and production. Available to hire for full or half day rates.

London Rowing club is home to the fantastic Land based training centre "The Peter Coni gym" offering various strength and conditioning facilities.

London Rowing Club is a short walk from many public transport links including the London Underground and Overground services, multiples TFL Bus routes and The Thames Clipper River service
